## Dank Frank

West Coast IPA - 5.6% ABV

West Coast IPA hopped with Citra & Amarillo.

Refreshing and easy drinking. Notes of dank citrus & delicious sticky resin.

*(Our yeast wasn't viable and it was a time crunch situation, so we pitched a different yeast we had on hand. The results are a "one-off" experiment with our beloved Thank Frank. Frank named it!)*

## TEDStout: The Easy Drinking Stout

Dry Irish Stout - 4.4% ABV

Named out of practicality and also out of love for our dear friend, Ted, who has so kindly helped us over the years. This Irish-style Dry Stout is light on alcohol, but full on flavor. Deep, roasty notes of high quality, gold foil wrapped 85% cocoa dark chocolate bars, artisan coffee served black, richly toasted bread, a tinge of caramel on the nose, and a smoothness that keeps it delightfully easy to drink. If you're a fan of a certain famous stout brewed in Dublin, then we think you'll like TEDStout. Sláinte!

\$6.50 - 160z / \$5 - 100z / \$3 - 50z

## Hello Starshine

Barrel Aged Imperial Stout - 10% ABV

Brewed with plenty of roasted and caramel malts and then aged in 3 different barrels, that we then blended together. Notes of dark fruitcake & figs with a boozy bite from the Rye Whiskey & Dark Rum Barrels. Finishing with plump, drunken raisins, molasses and a touch of oaky vanilla from the Wheat Bourbon Barrel. We find that this beer is best enjoyed at a slightly warmer than normal temperature, and recommend consuming it slowly in order to maximize the full drinking experience.

## Freckles Angry Brown Ale

Brown Ale - 6% ABV

An all American take on an English brown ale. This is a dark, rich malt forward beer with caramel and toffee notes

## The Blonde Barrister

Tiramisu-inspired Blonde Coffee Stout - 8% ABV

Freshly roasted and brewed El Salvador coffee from Calm Waters (Bristol, PA) give that coffee liquor-esque component, cacao nibs for a dusting of chocolate on top and vanilla for that custard flavor. Notes of biscuit and graham cracker shine through the pleasant sweetness. *\*contains milk sugar*

\$7.50 - 100z / \$4.50 - 50z

## Krampus Cat

Hazy IPA w Azacca & Idaho 7 - 6% ABV

Flavors found only in folklore of fresh cut holiday pine boughs, juicy, freshly peeled clementines, and black tea & stone fruit from the Kveiking yeast. The addition of flaked oats gives a fluffy, soft mouthfeel. If this is the present Krampus brings, then we're happy to misbehave.

\$7.50 - 160z / \$6 - 100z / \$4 - 50z

## Puffed & Toasted

S'Mores Porter - 8% ABV
